

Description

Mazuri® Exotic Gamebird Starter is a complete feed specially designed to meet the nutritional needs of young ornamental pheasants and other birds with similar feeding patterns.

Features and Benefits

- **Complete feed** - One product contains all of the nutrients the birds require.
- **High protein, balanced with essential amino acids** - Promotes growth and feathering.
- **Optimum levels of nutrients** - Proper nutrient levels provide protection against cannibalism.
- **Extruded particle** - Highly palatable, easy to feed and minimizes waste.

Product Form

- Extruded particles: 1/8" x 1/8"

Catalog #0001430

25 lb. net weight paper sack.

Guaranteed Analysis

Crude protein not less than	30.0%
Crude fat not less than	2.5%
Crude fiber not more than	6.5%
Ash not more than	8.5%

Ingredients

Dehulled soybean meal, ground corn, wheat middlings, porcine meat meal, fish meal, brewers dried yeast, dehydrated alfalfa meal, glyceryl monostearate, soybean oil, calcium carbonate, salt, DL-methionine, dicalcium phosphate, monocalcium phosphate, choline chloride, tocopherols (a preservative), pyridoxine hydrochloride, d-alpha tocopheryl acetate (natural source vitamin E), cholecalciferol (vitamin D₃), vitamin A acetate, l-ascorbyl-2-polyphosphate (vitamin C), folic acid, menadione dimethylpyrimidinol bisulfite (vitamin K), biotin, riboflavin, calcium pantothenate, nicotinic acid, vitamin B₁₂ supplement, thiamin mononitrate, manganous oxide, zinc oxide, copper sulfate, calcium iodate, sodium selenite.

Feeding Directions

Feed free-choice to birds as a sole ration until chicks are fully feathered. If an intermediate protein diet is desired during the growth period, use Waterfowl Starter (5641).

Start with a small amount on paper or cardboard to ensure all birds begin eating.
